BOER WAR STILL FULL OF VIGOR

Defeat British at De Wetsdorf After a Two Days' Battle.

VICTORY IS DECISIVE

Over Four Hundred Soldiers and Two Field Guns Are Taken.

LONDON PUBLIC IS STIRRED

London, Nov. 30.—General Roberts telegraphs to the War office that De Wetsdorp was surrendered to the Boers on November 23. Four hundred men and two guns were captured by the burghers after the British had lost fifteen men killed and two wounded.

Lord Roberts' dispatch furnishes the most startling proof that the war in South Africa is still in full vigor. It is a poor consolation that the British have since re-occupied the town after the Boers had withdrawn.

To add to Great Britian's uneasiness, the news came from Paris last night that President Kruger had made an unexpected change in his plans, and that instead of going to the Netherlands for a long rest will start on Saturday for Berlin.

Vote of Sympathy Given Him.

Some satisfaction is expressed in the action of the French chamber of deputies today. The friends of Kruger made their long-threatened demonstration, but a vote of sympathy was the best that the French parliament would do for him.

The latest striking success of the Boers reported by Lord Roberts, cannot fail to encourage in the Cape Colony a revolt, which is now a most imminent danger.

The truth is, according to the most reliable information, that the situation in the Cape Colony is more serious than at any time since the outbreak of the war.

The farm burning policy in the Boers' country is having its natural effect and it will be surprising if the British escape the dilemma in which they have involved themselves without percipitating a rebellion which will severely test all their military resources in Africa.

It is not likely that the Boers will attempt to hold the prisoners taken at De Wetsdorp as this is no longer their policy, but the moral effect of the blow to the British prestige will be none the less serious.

Will Go to Germany.

Paris, Nov. 30.—Hope of securing intervention for the Boers in Germany has induced President Kruger to change his original plans. He will go from Paris to Cologne tomorrow and from there will go direct to Berlin, by the way of Magdeburg. He is expected to arrive in Berlin on Dec. 4 and remain there four days.

It is reported in the inner circles that the German emperor has given an intimation that he is willing to act as a mediator between the Transvaal Republic and England, or, at least, to try and effect a satisfactory settlement. The action of the emperor is due, it is asserted, to the intercession of Queen Wilhelmina of Holland, whose coming marriage to a German Prince has given her double influence with the emperor.

GREAT BRITAIN SHOWS ALARM.

Aggressiveness of the Boers Indicate Trouble Is Not Ended.

London, Nov. 30.—The disaster at Dewestdorp has sent a thrill of alarm through Great Britain. The censorship continues so strict that there is no hope of arriving at a clear conception of the actual position of affairs in South Africa. For instance, independent accounts of the subsequent proceedings and the recapture of Dewetsdorp give ample details, not omitting to announce the capture of two Boer wagons and a quantity of loot, but there is not the slightest mention of the surrender of 400 British troops and two guns, which were not even disabled, inasmuch as the Boers were enabled to use them against the British relief forces.

The "ubiquitious Dewet" seems again to have gotten away, and, so far, there is no news that the captured British have been liberated.

VICEROYS APPEAL TO UNCLE SAM

Minister Wu Asks the President to Protest Against a French Force Advancing in China.

Washington, D. C., Nov. 30.—It is understood that the viceroys of the southern provinces of China have appealed to the state department through Wu to use his good offices with this government to stop the advance of the French forces into the Shan Si province. Wu was an early caller at the department but refused to say anything concerning the report. The appeal of the viceroys is to the effect that the French expedition will have anything but a quieting effect. They say that the presence of troops will cause a rebellion. The same appeal was made to Russia, England and Japan. Wu it is said alleges that Germany's commander gave his consent to the movement which is alleged to be one of revenge solely.

BERNIER TO FOLLOW NANSEN,

Quebec Captain Obtains Support for Another Arctic Expedition.

Montreal, Que., Nov. 30.—Captain Bernier of Quebec has gained the support of Sir Clements Markham, president of the Royal Geographical society, for his scheme to reach the north pole and is now in this city making arrangements, and hopes the British government will co-operate with the Canadian ministry. Captain Bernier's plans, as approved by Sir Clements Markham, contemplate the departure of an expedition from Vancouver, with a wooden or steel ship and a crew of six sailors and five scientists. Entering the polar basin in August, a month earlier than Nansen did, the ship would begin to drift 300 miles farther east than did Nansen's vessel. The expedition would winter in the ice.

RAILWAY TRAINMEN HAVE A GOOD TIME

Fifteenth Annual Ball Held in Assembly Hall Wednesday Night Was a Grand Success.

The Brotherhood of Railway Trainmen have cause to feel proud of the success of their fifteenth ball. Over two hundred couple gathered in the hall and spent several hours gliding around the hall to the sweet strains of Johnny Smith's orchestra of eight pieces. The orchestra was almost hidden beneath a bank covered with smilax, with beautiful chrysanthemums, ferns and potted plants hidden in the foreground.

The hall is handsomely decorated with red white and green bunting, and along the wall artistic drapings had been hung giving the wall seats the appearance of easy back settees. The windows were draped with curtains and oriental rugs adorned the ladies reception room. A handsome cozy corner was arranged with ferns and potted plants near the ladies' room.

Two large headlights and many colored lanterns added much attractiveness to the scene.

The soft lights and the gay gowns of the ladies went to make up a very handsome picture. All present enjoyed themselves to the fullest degree and it was with regret that they finally left for home after an evening of great pleasure. The following committees were in charge:

Arrangement Committee.—G. W. Schmidley, A. W. Harvey, J. P. Flynn, J. J. Dulin.

Reception Committee.—L. E. Nermyla, John Clough, T. Flood, L. E. Berrel, H. J. Davey, C. N. Corson, J. H. McCaffery, L. Fraunfelder, G. W. Richardson, G. W. Harvey, H. Harvey, J. H. Eddy, Ira Noel, G. W. Schmidley, A. M. Thatcher, L. F. Howland, D. J. Griffin, A Tucker, F. Dixon, T. Brennan, C. A. Marshall, C. H. Carpenter, L. H. Crow, J. J. Byrne, J. Flynn, H. May, Ed Prideaux.

Floor Committe—Chief, H. D. Van-Akin, George Schmidley, J. J. Dulin, H. May, J. Mulligan, J. P. Flynn, F. Dixon, D. Barry.

DEATH IN FOOTBALL.

One Killed and One Fatally Injured at Chicago.

Chicago, Nov. 30.—Football claimed two victims Thanksgiving Day. One player was killed in a game between two teams at Kensington. Another suffered internal injuries in a "scrub" game played on a vacant lot at Augusta street and Humboldt avenue. He is not expected to recover. His name is Thomas Kelly. He is 18 years old.

Preston Todd, 23 years old, was the player who was killed. Todd, who played half-back, got into a rush, and was injured internally. He died three hours after the mix-up.

Butcher Sues a Rabbi.

Peoria, Ill., Nov. 30.—Abraham Wallowitz has filed a suit in the circuit court for $10,000 damages against Rabbi Friedman of the local congregation of orthodox Jews. Wallowitz is a butcher, and for many years he has furnished the "Kosher" meat to the 150 families of the Monson street congregation. He has held rank as a semi-rabbi, and only the meat which he furnished did the Jews of this congregation dare to eat. It is said that Wallowitz cleared, on an average, $12 a day from his fellow Hebrews. Recently, however, he had a misunderstanding with Rabbi Friedman, and the altar and placed a ban on the meat the altar and placed a ban on the mea furnished by him. The butcher now seeks to recover damages.

George Stewart and wife are the guests of Mrs. Stewart's parents, Mr. and Mrs. James Sherer.

MANY PEOPLE ARE ROASTED TO DEATH

NEARLY 100 MEN AND BOYS FALL ON A HOT FURNACE.

Eleven of Them Taken Out Dying and Fifteen Others Have Fatal Burns—Unfortunates Overcrowded a Roof to Witness Holiday Game of Football at San Francisco.

San Francisco, Cal., Nov. 30.—While 16,000 people were watching the big football game yesterday afternoon between Stanford and Berkeley the roof of the San Francisco and Pacific glass works, on which several hundred men were congregating to get a free view of the game, fell in, carrying more than one hundred men and boys down upon the white-hot furnace and glass vats below. Thirteen are reported dead and more than forty are badly injured, several of whom will surely die.

The identified dead are: William Valencia, George Extett, M. Vandina, J. A. Mulroony, Edgar Flahein, Thomas Rippon, John Oakes, William Echfeldt, Edward Dugan, Virgil Newby, Hector McNeill, Talleyrand Barnwell, Carroll Harold.

Dr. Bunnell of the hospital believes fifteen more will die, making fatalities twenty-eight in all.

Glass Furnace Underneath.

At the north side of the building stood the glass furnace, 30 feet long and 12 feet wide. The furnace was directly underneath the point where the roof gave way. It is a brick structure and the top is of a curved surface. About twenty minutes after the game had commenced there was a crash, plainly audible from the football grounds, and a portion of the crowd on the roof went down. The fires in the furnaces had been started for the first time yesterday, and the vats were full of liquid glass. It was upon these that the victims fell. Some were killed instantly and others were slowly roasted to death. The few who missed the furnaces rolled off, and together with workmen in the glass works saved the lives of many who lay unconscious by pulling them away from their horrible resting place.

Wagons Pressed Into Service.

The police and fire department were soon at hand, and every patrol wagon and ambulance in the city was summoned. They were not enough, and express wagons and private carriages were pressed into service to carry off the dead and wounded. Many of the injured were unconscious, while others were hurried, shrieking with agony, to the hospitals. The Southern Pacific railway hospital was only two blocks away and was quickly filled. About forty wounded were taken there. Others were sent to St. Luke's hospital, and the City Receiving hospital, to private residences and other places. At the hospitals there was soon a shortage of surgeons, and some of the wounded had to wait until help came. The roof of the glass works was not 200 feet away from the football field, but the 20,000 people watching the game were too interested in the play to notice what had occurred. It was only when the ushers went through the vast crowd calling for doctors that it became known there had been an accident. Hundreds of people left the grounds and gathered about the fence inclosing the glass works. News of the disaster spread rapidly and thousands of anxious people quickly assembled. The police kept them back with difficulty, while the patrol wagons and ambulances dashed through the crowd on their way to and from the hospitals.

Heat Was 500 Degrees Fahrenheit.

The exterior heat on top of the furnace at the time of the accident is said to have been 500 degrees Fahrenheit. This is where at least fifty of the unfortunates fell when the roof crashed in. The scene that was presented was almost like that of a slaughter house. In the hurry of the relief force men were dragged from the furnace and left upon the floor. Others came along and in succession extinguished the flames that threatened to burn them alive.

LITERARY AND SOCIAL UNION.

Splendid Program for Meeting at the First M. E. Church Tonight.

The Twentieth Century Literary and Social Union of the First M. E. church meets in the church parlors tonight at 7:45. A splendid program has been arranged by the committee. One of the main features of the entertainment will be a debate on the subject: "Resolved, that the country would be more prosperous without organized capital and labor." Those selected to discuss the question are Mr. Whitaker, Mr. Folley, Mr. Cannon and Mr. Crawford. Splendid instrumental and vocal music. No admission fee or collection. Everybody invited.

To Rehabilitate Galveston.

Fort Worth, Texas, Nov. 30.—Three thousand delegates and visitors are attending the opening session of the convention which has for its purpose the rehabilitation of the city of Galveston. National and state aid will be asked.

See McNamara's display ad.

CRUISER YOSEMITE WRECKED AT GUAM

U. S. BATTLESHIP AND FIVE OF ITS CREW ARE LOST.

Boat is Driven on a Reef, Then the Wind Veers and She is Carried Out to Sea Helpless—A Terrific Typhoon Sweeps Over the Island.

Manila, Nov. 30.—The transport Sherman, which has arrived here, brings the news of a terriffic typhoon which swept over the island of Guam on November 13, demolishing thousands of dwellings, including Governor Schroeder's headquarters.

The towns of Inorajan and Terraforo were obliterated. It is estimated that hundreds of natives were killed. The cocoanut crops for four years have been ruined, and the vegetation of the island has been killed by salt water.

The storm burst with terriffic rapidity about ten o'clock in the morning. The auxiliary cruiser Yosemite, which was occupying a berth near the collier Justine, dragged her anchors and was driven aground a hundred yards from the reef. Her bows were crushed in.

A launch with a crew of five men, had previously left the ship to endeavor to find a safe anchorage for the cruiser, the indications being that the anchors would not hold where she was. The men were not seen after they left the ship, and it is practically certain that the heavy sea which the storm kicked up swamped the launch.

The bodies of Coxswain F. Swanson and Seaman George Anhel were recovered after the typhoon subsided.

SENSATIONAL FALL IN NOVEMBER CORN

Unexpected Finish Made in the Phillips Corner on Wednesday—His Profits About $150,000.

Chicago, Ill., Nov. 30.—November corn took a sensational turn soon after the board of trade opened this morning, falling to 36½. Close Wednesday at 41 cents. Heavy selling by longs was the cause. There was great excitement in the pit.

An unexpected finish was made Wednesday in the deal being run in November corn by George H. Phillips. Instead of the prices being advanced they dropped from 50 to 41 cents about noon, and stayed there until the close. The deal is considered as practically over, and Phillips' profits are $150,000. This is the figure placed upon them by the young bull leader.

HARRY G. CARTER WON FIRST PRIZE

Playing Golf Under Difficulties On the Buckleton Links Yesterday—Other Prize Awards.

The handicap match against "Bogey" at the grounds of the Sinnissipppi Golf Club, yesterday, was not as largely attended as expected. There was some snow on the ground which interferred with the playing and low scores were an exception. Several of the members played a pretty fair game, but in most cases the playing was bad. The first prize, a handsome tobacco jar given by the Gazette Printing company, was won by Harry G. Carter. The second, a golf club, donated by J. P. Baker, was won by Harry McNamara. The third, a dollar's worth of balls, by George Brownell.

HUNDREDS ILL OF SMALLPOX.

Indian Reservation in Nebraka and Adjacent Towns Attacked.

Onawa, Iowa, Nov. 30.—Two hundred and thirty-five cases of smallpox have been discovered in and about Decatur, Neb. The ferry-boat plying between Decatur and Onawa has been stopped by the authorities. Nine doctors and an officer of the state board of health are attending the patients and looking after quarantine restrictions. Decatur is at the edge of the Winnebago and Omaha Indian reservation and it is affirmed that fully 100 of the red men are afflicted. The situation is considered alarming. Many deaths have occurred, every member of one family near Silver Creek, Neb., being reported dead. In Council Bluffs a second case of smallpox has developed. The patient was Asa Deems, a Union Pacific bridgeman, who contracted the contagion in Crete, Neb. He was working with a gang of about thirty men and sleeping in the same car with them. The Union Pacific has issued orders requiring all its employes to submit to vaccination.

Harsh Criticism Is Blighting.

Many an irritating fault, many an unlovely oddity, has come of a hard sorrow which has crushed and maimed the nature just when it was expanding with plenteous beauty, and the trivial erring life which we visit with our harsh blame may be but as the unsteady motion of a man whose best limb is withered.—George Eliot.

RULES FOR MANILA BANKS.

Bill Passed to Prevent Discrimination Against American Money.

Manila, Nov. 30.—The Philippine commission, of which Judge Taft is president, has passed a bill preventing discrimination against American money and compelling the banks to accept deposits of both gold and Mexican silver, and to honor checks in the money in which the deposits were originally made. This will simplify the financial system and relieve American depositors from the losses they have hitherto suffered. A liquor-license law for Manila has been prepared. It will debar saloons on the Escolta and some other streets from obtaining licenses in the same locations after the existing licenses expire. The commissioners and the provost marshal intend to relieve the Escolta of the congested condition largely due to the presence of so many saloons. Under the new law the license fee will be $300 gold and the terms six months. Next Saturday the commission will mail to Secretary Root a report covering the first three months' work, outlining existing conditions, the progress made, the present status of affairs, and the situation generally, and embodying suggestions as to the future, together with questions on certain matters.

CARRIED OFF A SEALSKIN CLOAK

Robbery Perpetrated at the Golf Club Dance Last Night—Loss to a Madison Visitor.

Some evil disposed person entered the ladies' dressing room at Assembly hall last night during the time that the Golf party was in progress and carried off a sealskin cloak belonging to Miss Addie Keenan of Madison. Miss Keenan is the guest of Mr. and Mrs. W. G. Wheeler, East street and came down from Madison last evening to attend the party.

After entering the hall she went to the ladies' dressing room and taking off her cloak hung it on hook directly back of the door to the room in which the wraps are deposited She noticed that when she hung the cloak up there that there was already another cloak hanging on the hook. When she was ready to go home she went into the dressing room for her wraps and found the cloak was gone. A search was started immediately but not a trace of it could be found.

It is certain that the cloak must have been taken by some one in the hall as all the rear doors were closed and locked and were not open during the evening. Miss Mabel Jackman whose guest Miss Keenan was, remembered that along toward the latter part of the evening she saw a woman come out of the ladies' dressing room carrying a sealskin cloak with a persian scarf hanging from the pocket. Her attention was attracted to the scarf and she thought it funny that anyone should have a scarf of the same pattern as Miss Keenan's. She did not think any more of the affair until Miss Keenan said that she had lost her sacque then she remembered looking at the scarf. She thinks now that there is no doubt that it was Miss Keenan's cloak she saw in possesion of the woman. Chief Hogan has secured several clues and he is following them up and hopes to have the offenders in custody shortly.

DONS NEW SUIT EVERY HOUR.

Jones Carries Twenty Trunks Filled with Gorgeous Raiment.

St. Louis, Mo., Nov. 30.—Frank Elsinore Jones is a guest of the Planters' hotel. He arrived from Chicago today, the advance guard of a New York wholesale millinery house, and Solomon in all his glory was not arrayed as he, for Jones brought with him twenty trunks packed full of wearing apparel, and dons a new suit every hour of the day. He works two hours each day at his duties as a millinery salesman, the balance of the time being devoted to a sartorial show. Two of his twenty trunks contain waistcoats alone, and there are no two alike. In the patterns of the vests checks predominate, but everything from a plain stripe to a copy of the label on a tea chest is contained in the collection. His shirts are equally loud in pattern. In numbers, the waistcoats have the advantage, but in all other respects the shirts hold their own—and the public eye. Jones says that the styles in shirts change every fortnight, and that he would rather be dead than be found wearing a shirt that was not in the style. With his trousers Jones is equally effective. He numbers them by the score. They are all of the peg-top variety, and are in stripes or one color. As the Prince of Wales has decreed that creases in trousers are not good form, it is needless to say that Jones' are creaseless Jones has proved himself to be a good salesman, and when he goes out to visit his customers he leaves his loud suits in his room. Every hour during the day Jones appears in the corridor of the hotel garbed in an entirely new suit of clothes.

W. K. Shattuck returned this morning to Chicago after spending Thanksgiving with his wife and her parents, Mr. and Mrs. Orrin Sutherland.

WHITE RIBBONERS ARE GATHERING

National Convention of the W. C. T. U. at Washington.

SOCIETY IS GROWING

An Increase of Over 15,000 New Members During the Year Just Passed.

IMPORTANT BUSINESS IS ON

Washington, Nov. 30.—Delegates to the National Woman's Christian Temperance Union are arriving in squads and platoons and before tomorrow night it is expected that fully 2,000 visitors and delegates and members will be in the city.

Today a delegation of forty arrived from Indiana headed by their president, Mrs. Luella McWhirter of Indianapolis. They went directly to headquarters at the Elsemere, where they were received by the national president, Mrs. Lillian M. N. Stevens and Miss Anna A. Gordon who had arrived early in the field.

This afternoon a delegation of between fifty and sixty is expected from Illinois, while Michigan will send a quota of twenty five delegates. New York has sent seventy-five members to the convention, while the New England delegation will come en masse on Saturday.

Delegates come from all the states in the union, while a number of prominent workers from foreign parts are expected, among them are Mrs. Barber of Australia, Miss Watts of Brazil, Mrs. Mackay of Cape Colony, Mrs. Barakat of Syria, and Mrs. Kate Lunden of Sweden.

The first work of the association was taken up this morning at 9:30, when an executive session of over 100 presidents was held at their headquarters to discuss ways and means for the coming year. These executive sessions will continue through today and tomorrow, the first open meeting being held in the Lafayette Opera house on Sunday afternoon.

A great deal of business is necessitated from the large increase of membership during the present year, oxer 15,000 more members belonging to the organization than formerly, this increase being over and above losses by death. These losses were a formidable item when even in Illnois alone over 300 names were added to the memorial list.

The speakers are many of them of national reputation. Clara Barton, President of the Red Cross organization, will extend the welcome of the city to the visitors. The annual sermon will be preached in the opera house on Sunday afternoon by Mrs. J. K. Barney, who is known as, "Round-The-World-Missionary." Mrs. Barney has made a special study of the prisons both in this country and abroad.

REMAINS OF DAVIS LYING IN STATE

Private Funeral Services Will Be Held at the Residence in St. Paul Tomorrow.

St. Paul, Minn., Nov. 30.—Escorted by a battery and a company of state militia the remains of Senator Davis were taken to the state capital this morning where they will lie in state till this afternoon. No ceremonial was attendant upon the removal of the coffin to the funeral car. The route over which the procession passed was lined by thousands of people. Business throughout the city is suspended. Private funeral services will be held at the Davis residence tomorrow.

Death in Strike Riot.

San Antonio, Tex., Nov. 30.—In a riot this morning between striking electricians and their sympathizers on one hand and a batch of non-union linemen, under protection of a squad of police on the other, Patrolman Will Lacey and a striker, named O. D. Blanton were killed; Martin Wright, President of the Brotherhood of Electrical Workers, was shot through the arm; Sandy Smith, a non-union lineman, beaten almost to death; and several others were more or less injured. Smith, the non-union lineman, did the killing and wounding. He is in jail charged with murder.

Papa Was Wearing the Laundry.

The little girl was inclined to answer the door bell about as soon as it sounded, and sometimes she gave answers to whoever might be there that were curious. One day the man who collects the packages of laundry was at the door and asked if the laundry was ready. "No," she replied, "papa has got it on."

NEWS AND GOSSIP FROM COUNTY TOWNS

MILTON COLLEGE MUSICAL STUDENTS GIVE CONCERT.

Wisconsin Telephone Company Has Erected a Line to Milton, and That Town is Now in Communication with the Rest of the County—County News.

THE GAZETTE AGENCY,
W. W. CLARKE, Manager.
Milton, Wis., Nov. 30, 1900.

Next Tuesday evening the musical students of Milton college give a concert the proceeds of which are to be used for the college library. As the library is open to the public our citizens hould make it a point to be present. The concert is worth the price of admission and you not only get the full value of your money, but in addition help a worthy cause. The program includes orchestra numbers, cremona, ladies' church and mixed and church quartetes, piano solos, duets, vocal solos, violin duets and solos.

Rev. C. F. McBride of Oconomowoc was a recent visitor at the home of his brother, W. P. McBride.

We take great pleasure in announcing that the Badger State Telephone company have this week erected the poles for a line into the village and when the wires are strung from Milton will be placed in easy communication with the numerous offices connected with that system in Southern Wisconsin. The local office of the company will be located at the store of Hanson & Son, which is a central location and easy of access. We trust that our citizens will show their appreciation of this long needed improvement by giving the company a liberal patronage. An exchange combining Milton and Milton Junction should be next in order and should be a paying enterprise.

Miss Mamie McBride has commenced teaching in the Spaulding district.

Born, Nov. 27, 1900, to Mr. and Mrs. R. C. Hastings, a son.

Charles F. Tompkins, who has been in the employ of a Chicago druggist during the past summer has been visiting his parents this week. He will go to New York City where he has a similiar position.

Officer McCulloch is confined to the house by sickness.

F. C. Dunn returned from a trip to Michigan on Sunday night.

Miss Belle R. Walker of Wauwatosa spent Thanksgiving with her mother and sister.

Miss Bessie Clarke of the Columbian School of Oratory of Chicago, spent her Thanksgiving vacation at home.

H. F. Clarke and wife are visiting at Berlin.

The annual meeting of the Milton Anti-Horse Thief association will be held at the G. A. R. Hall on Thursday December 6 at 2 o'clock p. m.

Miss Laura Stillman will spend the winter with Madison relatives.

There was a wedding at William Thom's Tuesday evening.

Rev. Dr. Platts and L. A. Platts, Jr., are at Berlin attending the annual meeting of the northern Wisconsin Seventh Day Baptist churches.

BRODHEAD.

Brodhead, Nov. 30.—The Brodhead boys were defeated by the Darlingtons at Darlington on Saturday by a score of 22 to 0.

Mrs. Charles Mitchell returned home yesterday afternoon from Madison.

Miss Emma Lyons went on Monday to Waterloo, Wis., to attend on Tuesday the wedding of her brother, Dr. William Lyons.

C. O. Lawton was a business visitor in Madison on Tuesday.

Mr. and Mrs. W. R. Skinner left on Tuesday for Milwaukee.

Mr. and Mrs. Charles A. Steele left on Wednesday morning for LaCrosse to eat Thanksgiving turkey with relatives and friends. Mr. Steele will return in a few days while Mrs. Steele and little Ralph will remain for a more lengthy visit.

Mr. Martin Baumgartner is expected here from Madison this week.

Mr. Townsend Moore is visiting friends in Monroe this week.

Miss Ethel Barr entertained a few friends at tea last Thursday evening. A lovely time is reported.

The Y. M. C. A. rooms will be open to the public in a week or ten days.

Miss Katheryne Stewart is expected home from the U. W. today and will bring her friend Miss Gertrude Matteson with her.

Messrs. W. R. Skinner, R. C. Murdock and Dr. F. T. Richards were in attendance upon the Y M. C. A. convention in Janesville.

Mr. and Mrs. J. E. Doolittle and Mr. and Mrs. C. E. Doolittle went to Evansville on Sunday to attend the funeral of Mrs. Adora Cadwallader which was held on Monday at one o'clock. Mrs. Cadwallader was a sister to Mr. J. E. Doolittle.

FULTON.

Fulton, Nov. 30—Miss Carolyn Van Akin, of Janesville, who sang to the Fulton people several weeks ago and who has studied two years in the

(Continued on page 3)

HIGH DEATH RATE AMONG INFANTS CAUSED BY USING IMPURE MILK

Nathan Straus, of New York, Gives Facts and Figures Which Are Startling.

Nathan Straus, the widely known New York philanthropist, who has done so much for pure milk in the great metropolis, has issued a circular on "Why The Distribution of Sterilized Milk Should Be a Function of Every Municipality." It treats the question exhaustively as follows:

Our schools and universities are the finest in the world. We spend millions of dollars annually to prevent intellectual incapacity. Why not treat physical ailments in the same manner? Prevent them.

Prevent helples infants developing from a puny, sickly childhood into a diseased, weakened and helpless manhood and womanhood, and save, in so far as possible (and a great deal is possible), the enormous sum paid annually for the maintenance of hospitals and like institutions.

Since it is one of the functions of of curing disease, why is it not in its province to furnish the agents of its prevention?

Milk is the one article of food in which disease and death may lurk without giving any suspicion from its taste, smell or appearance.

If the Pasteurizing of the entire milk system were made the function of the municipality, it would be an exceedingly clever business investment, for the money expended would be returned a hundred fold. This is looking at it from a practical, commercial standpoint, besides which, from a humanitarian point of view, the amount of suffering and disease which would be prevented would be incalculable.

"It is estimated that one-third of "the children die before they are "three years old, and one of the leading causes of infant mortality is im-"pure milk."—United States Department of Agriculture.

"Numerous outbreaks of typhoid fever have been reported where there "was no doubt about the milk sup-"ply being the carrier of the germs. "Outbreaks of diphtheria have been "traced to milk from farms where "diphtheria has been known to exist "in the families of the attendants. "The same is reported of scarlet fev-"er and cholera. Pasteurization or "sterilization of milk is the only safe-"guard against such dangerous dis-"eases, as this process destroys all "the disease germs."—U. S. Department of Agriculture.

Thousands of infants' lives are sacrificed annually by impure milk. No system of milk test or examination now in operation or capable of being generally applied, is sufficient to protect the lives of young children against the noxious germs present in a large portion of the milk delivered in its natural state in cities.

Dr. Shakespeare, of Philadelphia, nearly, if not quite, one-half the deaths in cities in this country are due to class of diseases which are known to be preventable. Chief among these preventable diseases are the diarrhoeal disturbances of young children, and the prime agent in the production of these is impure milk.

This state of affairs was brought to my attention in 1892. After making a thorough examination of the subject and taking counsel wih physicians at home and some who were accepted as authorities in Europe, I began to experiment as to what could be done to bring absolutely pure milk, and milk fitted for infant consumption, within the reach of those who needed it, particularly the poor. I found medical testimony absolutely unanimous as to the requirement of perfect sterilization (Pasteurization) for all milk intended for food in cities. I accordingly established a sterilizing laboratory and began the dispensing of pure milk, both in its natural and sterilized form, from one booth in one of the most thickly populated districts of this city. The system of sterilization adopted was that of Dr. Rowland G. Freeman of New York. This system combines the preservation of the nutritive qualities of the milk and the complete destruction of all noxious germs.

This work was begun in 1892, when 34,400 bottles were distributed, and each succeding year enlarged and widened in scope, until the present year, up to date, 596,677 bottles have been dispensed, and 812,921 glasses of milk drank on the premises. Its results can be more eloquently told by the statistics of the health department than by any words in my vocabulary. The following table gives the population, deaths and death rate of children under five years of age, and shows that the death rate per thousand was gradually decreased from 96.5 in 1891 to 62.8 in the year just passed.

Population, Deaths and Death Rate of Children Under Five:

Year.	Population.	Deaths.	Death rate per thousand per annum.
1891	188,703	18,224	96.5
1892	194,214	18,684	96.2
1893	199,886	17,805	89.3
1894	205,723	17,558	85.3
1895	212,083	18,221	85.3
1896	216,728	16,807	77.5
1897	220,641	15,395	69.7
1898	224,736	15,591	69.4
1899	229,029	14,391	62.8

Statistics of deaths and the death rate for the three hottest months of the year, June, July and August, when the peril to child life is greatest, and consequently, the distribution of sterilized milk the largest, demonstrates more convincingly to what degree the culpable sacrifice of infant life may be arrested.

Deaths and Death Rate of Children Under Five Years of Age For the Months of June, July and August:

Year.	Population.	Deaths.	Death Rate.
1891	188,703	5,945	126.0
1892	194,214	6,612	136.1
1893	199,886	5,892	117.9
1894	205,723	5,788	112.6
1895	212,083	6,183	116.1
1896	216,728	5,671	104.7
1897	220,641	5,401	91.3
1898	224,736	5,047	89.8
1899	229,029	4,689	81.8
1900	233,537	4,562	78.1

The rate of infant mortality is here shown to have continuously decreased since the establishment of the Pasteurized (sterilized) milk booths from 136.1 in 1893, to 78.1 in the present year. These cold figures are fluent and powerful evidence of the beneficence of this work of placing Pasteurized (sterilized) milk within the reach of every poor family in Manhattan, and of its efficacy in routing the forces of disease and death.

Confining the comparison to deaths from diarrhoeal diseases during the two most fatal months of the year, July and August, we find the following state of affairs: For the three years 1890—1892 the total number of deaths from diarrhoeal diseases during the months of July and August was 6,122; for the three years 1894—1896 the total umber during the same two months was 5,262, showing a saving of 860 deaths in the presence of an increase of average population from 1,700,000 to 1,970,000; for the three years 1897—1899 the total number during the same two months was 4,050, showing a still further saving of 1,212 with a still greater population.

As a mere hint of what might be accomplished by municipal ownership and municipal operation of plants for the Pasteurization of the milk supply of cities, the result of the establishment of a plant in the Infant Asylum at Randall's Island, New York City, may be quoted:

In 1897 the death rate amongst the waifs picked up in the streets of New York and taken to this hospital was 44.36, a rate so high as to become a matter of great concern to those in charge. I asked permision to supply the Asylum with all the Pasteurized milk they required. The offer was declined, and the appaling death rate continued. Finally, in 1898, I secured permision from President John W. Keller, of the Department of Charities, to install in this asylum a complete plant for the Pasteurization of milk foods. The following statistics, furnished by the Department of Charities, show the result of the first attempt at municipal proprietorship and operation of a milk Pasteurization plant:

1895—Children treated	1,216	
Deaths	511	
	42.02 per cent.	
1897—Children treated	1,212	
Deaths	474	
	39.11 per cent.	
1899—Children treated	1,181	
Deaths	524	
	44.36 per cent.	

The Pasteurizing plant was installed in the early part of 1898, and the death rate immediately dropped as follows:

1898—Children treated	1,284	
Deaths	255	
	19.80 per cent.	
1899—Children treated	1,097	
Deaths	269	
	24.52 per cent.	

What may we call this heedless, needless sacrifice of infant life? In the face of these facts it is too strong to call it murder permitted murder? When the news of a railroad wreck and accompanying loss of life is telegraphed across the continent, it is followed by a shudder of horror, and if any life-saving precautions have been lacking, there is raised a cry of vengeance against the "soulless" corporations, whose duty it is to provide every safeguard for life. But what of the thousands of infants whose lives pay the penalty of lack of precaution? No shudder of horror passes over the land; no cry for reform is raised, yet just as surely as the proper precaution would have prevented that railroad catastrophe, just so surely would the lives of the thousands of these helpless infants be saved did our municipal authorities adopt the preventive measures here shown to be effective.

TEACHERS TO MEET IN BELOIT DEC. 7

Rock County Association Will Hold Their Annual Session—An Important and Meeting.

The Rock County Teachers' Association will meet in the high school building at Beloit on Friday and Saturday, December 7 and 8, 1900. A fine program has been prepared and great good is sure to result to those who are in attendance.

On Friday morning, December 8th, the high section, and we presume the other sections, will meet for the condifferent classes of teachers. The high school section will discuss the following topics: Preparation for the recitation, by the teacher and by the pupil; the conduct of the recitation by the teacher; the teacher's attitude toward the subject and toward the pupils; demands made upon the by the teacher's aims and ideals.

The grammar grade section will be led by Miss May Clark, of Janesville, and will listen to talks on music by W. F. Gaskins of Janesville, and Miss Amy Z. Peavey of Beloit. Miss Minnie Hayward of Evansville, and C. D. Rose of Edgerton, will give their ideas as to school decoration, and systematic school work will be elucidated by Mrs. Folkmar, formerly teacher in the State Normal at Milwaukee, and Chas. Hemmingway of Albany

The association lecture will be by Dr. A. S. Draper, president of the University of Illinois, on the subject of "The Responsibility of the School for the Inspiration of the Pupil." The lecture will be in the college chapel on Friday evening, December 7th, and there will be college music furnished by college talent. Admission, 25 cents.

Low Rates to Beloit Via. C. & N. W. R'y Nov. 29.

Account Knox Beloit college football game Nov. 29. The C. & N. W. R'y will sell round trip tickets at 55 cents for round trip, limited to Nov. 30.

Wane of the Buckwheat.

The loss of the buck wheat cake of our fathers must be laid at the door of the miller. He is accused with mixing with buckwheat flour wheat bran and shorts in the interest of economy. For a while the adulteration was undetected, but gradually consumers began to complain that hte buck wheat cakes don't taste any more like they used to taste in the good old days back on the farm and the people began to stop buying buckwheat flour. As the demand fell off the farmers raised less and less buckwheat. A race of honest millers co-operating with the farmers might raise the buckwheat cake to its former proud position.

Maud—Is 5 and 30 to old to hope for improvement? I should say not. One just begins to live. Take Rocky Mountain Tea. You'll be blooming fair at 60. Smith's Pharmacy, kodak agents, opposite P. O.

If the Baby Is Cutting Teeth

Be sure and use the old and well tried remedy Mrs. Winslow's Soothing Syrup, for children teething. It soothes the child, softens the gums allays all pain, cures wind colic, and is the best remedy for diarrhoea. Twenty-five cents a bottle

BRIEF BITS OF COUNTY NEWS

Continued From Page 2.

Oberlin Conservatory of Music, will be pleased to meet at the church, Saturday at 2 p. m., Dec. 8th, all those who may be desirous of securing splendid instruction in voice culture and either piano or organ lessons. Miss Van Akin will sing at the church services both morning and evening, Dec. 9th.

The annual meeting of the church wil be held at the church Monday evening, Dec. 3, at 7:30.

Mr. Samuel Thompson of New York, is visiting his sister, Mrs. Jas. Biggar.

Miss Edith Coon of Janesville, visited Lizzie Cramer last week.

Mrs. Nell. Hills went to Janesville for the day Tuesday.

Andrew Ellefson's horse ran away from him Saturday night on his way home from Mr. Douglass', but came home without doing any damage.

CLINTON.

Clinton, Nov. 30.—The country people are not complaining about the stone roads these days. If our ancestors had only laid a few feet of it each year, by this time we would not be wading through such deep mud. As it is work has been expended each year and nothing to show for it.

The chicken pie supper served by the congregational ladies last Friday evening was a pronounced success, as everything was first-class and the proceeds $40.

The Bible Day exercises held in the Baptist church last Sunday evening were very much enjoyed, everyone taking part doing credit to themselves.

Reverend William Moore spent Tuesday and Wednesday in Chicago.

A case of scarlet fever has been reported in town.

Mrs. Winters, and aged lady living in Mrs. Radway's house, died, the burial occurring on Tuesday.

Mrs. J. H. Soper spent a few deys in Chicago this week.

Mrs. W. L. Bruce has been on the sick list for the past two weeks.

Miss Katherine Tuttle entertained the members of the senior class of the High school Friday evening of this week.

Mrs. Frank Bradley met with quite an accident recently taking off the end of one of her fingers.

A horse being driven by one of our liverymen accidentally fell into one of the gas trench ditches which had not been sufficiently guarded. No serious damage was done.

Mrs. L. S. Wilcox had business in Janesville last Thursday.

Miss Myrtle Pangborn had a young lady friend spend the Sabbath with her.

L. C. Silsbee was calling on old friends the latter part of the past week.

Mr. and Mrs. R. W. Cheever are visiting relatives in Grand Island, Neb.

Mr. and Mrs. C. L. Hanson spent last Sundya in Janesville.

The ladies reading club will meet Mrs. L. L. Olds Monday afternoon.

Mr. and Mrs. H. Napper are getting nicely settled in George Irish's house on North Main street.

Congratulations are in order for Mr. and Mrs. Clayton Stoney at the paternal home of Honorable S. S. and Mrs. Jones on the arrival of the little miss who celebrated November 26 as her birthday.

WILLOWDALE.

Willowdale, Nov. 30—Dan. Connel left last Monday for the pineries, where he expects to spend the remainder of the winter.

The Hatton boys have sold their threshing outfit to M. Cammel and A. T. Brown.

George Coryell is again seen in our neighborhood.

F. D. Ashby and family of Center, and F. Richards and family of Footville, ate Thanksgiving dinner at W. B. Richards'.

There are indications of a large attendance at the winter term of school.

The law suit of Mike McDermot vs. Joe Finnegan takes place at the court house in Janesville next Monday.

The marriage of Frank Zeibert of this vicinity, and Miss Augusta Kate of Janesville, occurred at the bride's home on South Jackson street, last Wednesday.

A number of our young people had a pleasant time at G. Goldsmith's last Friday night.

FAIRFIELD.

Fairfield, Nov. 30.—Mr. Wilson More is improving his residence by the addition to a new kitchen.

Albert Monroe has decided to leave his farm and take up other lines of work; and on Thursday last he disposed of his stock, etc., at public auction.

Rev. J. Herbert of Royalton, Wis., will occupy the congregational pulpit at Emerald Grove on Sunday, Dec. 2., at 10:30 a. m., and will also preach at Shopiere in the afternoon.

Mr. J. Welling of Cedar Falls, Ia., arrived on Tuesday and will spend the winter with his daughter, Mrs. J. C. Serl.

Charles Ferhm whose sudden death occurred at his home near Darien last Monday was a former resident of this place; living for several years on the Welch farm.

The Ladies' Auxiliary of Emerald Grove are making preparations for their annual fair which will be held the afternoon and evening of December 6. at the church parlors. A bountiful supper including oysters will be served from 3:30 to 8 o'clock for twenty-five cents after which a free entertainment, consisting of music and readings, will be given in the auditorium of the church.

Florida and the South via. the Monon Route

Tourist and homeseekers rates to nearly all points in the south. Six daily trains from Chicago. Only one night out to Florida. Send for booklet, ten routes to the South. For folders, rates, etc., address Frank J. Reed, G. P. A., Monon Route, Chicago.

Fancy new Edam cheese just in; $1.10 each. Dedrick Bros.

Homeseekers' Excursions via C. M. & St. P. Ry.

On Dec. 4th and 18th, to all points south, west and south-west, good for twenty-one days, at one fare plus two dollars for the round trip. Further information at passenger depot.

No one would ever be bothered with constipation if everyone knew how naturally and quickly Burdock Blood Bitters regulates the stomach and bowels.

Cures croup, sore throat, pulmonary troubles—Monarch over pain of every sort. Dr. Thomas' Electric Oil.

It's a mistake to imagine that itching piles can't be cured; a mistake to suffer a day longer than you can help. Doan's Ointment brings instant relief and permanent cure. At any drug store, 50 cents.

A blessing alike to young and old; Dr. Fowler's Extract of Wild Strawberry nature's specific for dysentery, diarrhœa d summer complaint.

Sarah Bernhardt's Daily Life.

Madame Bernhardt is one of the popular advocates of fresh air and outdoor exercise. She says: "I live in the open air. From early morning I am up. Some days spending the entire day in hunting or driving, to get glimpses of new country. Plenty of fresh air! That gives vigor! Exercise! Walking out of doors in the sunshine invariably. There is no such thing as genuine health without it."

Building at Vladivostok.

A large fort is being built on Russian [illegible], fronting Vladivostok harbor. It is to be furnished with breech-loading guns of the most recent pattern and largest caliber. The fort will command Peter the Great bay to the south, the mouth of the Amur river to the west and the entrance to our eastern Bosphorus on the east. The work has been going on quietly for some time. Another fort guards the harbor.

CONSUMPTION

is, by no means, the dreadful disease it is thought to be—in the beginning.

The trouble is: you don't know you've got it; you don't believe it; you won't believe it—till you are forced to. Then it is dangerous.

Don't be afraid; but attend to it quick—you can do it yourself, and at home.

Take Scott's emulsion of cod-liver oil, and live carefully every way.

This is sound doctrine, whatever you may think or be told; and, if heeded, will save life.

We'll send you a little to try, if you like.
SCOTT & BOWNE, 409 Pearl street, New York

Notice of the meeting of the committee of the County Board to decide upon application for alteration of a highway in the town of Magnolia, Rock County, Wisconsin.

Application having been made to the County Board of supervisors for the county of Rock by more than thirty resident free holders of the said county, not less than fifteen of whom are resident free holders of the town of Magnolia in said county for the alteration of a certain state road in said town of Magnolia, which runs through two towns in said county and as it now lays, runs diagonally across the northwest quarter of the north-west quarter of section number twenty one (21) in said town of Magnolia, such alteration to be as follows, towit:—

To so alter the said highway so that it shall lay from the point where it intersects the east line of the said north-west quarter of the north-west quarter of said section twenty-one (21), south to the south-east corner thereof and thence west along the south line thereof to the point where the said state road now intersects the said south line; and that the portion of the said highway above described as it now lays be discontinued, and

Whereas the undersigned three members of the said County Board have been duly appointed as committee for the purpose aforesaid.

Notice is therefore hereby given that we, the undersigned, members of the said county board constituting a committee duly appointed for that purpose will meet on the 13th day of December, 1900 at ten o'clock in the forenoon of that day at the house of John R. Gorey in said town and decide upon the said application.

Dated this 15th day of November, 1900.

PURE MILK.

In another article will be found an exhaustive article on pure milk, that should be read with interest. Mr. Nathan Straus is a philanthropist of the practical kind, his work is intenesely humane, and if his methods were adopted throughout the land the results would be very marked. He proves beyond a shadow of doubt that impure milk is the cause of a high death rate among children, and suggests a remedy so simple that neglect to adopt it would seem like criminal negligence. It is better to keep well than to get well, and yet in this busy age the laws of health are grossly violated. Scanty sympathy is due or is awarded to the man or woman, who deliberately or recklessly ruins their health, by neglect or excess; but with the helples child the case is different. Some one is responsible. Mr. Straus points a remedy for one evil, so simple that any family may adopt it, and so beneficent that all municipalities should endorse it.

EUROPEAN SLEEPING CARS.

F. A. Holt of Boston, has just returned from a summer spent in Europe, principally in the Austrian Tyrol. When seen at the Hotel Albemarle yesterday Mr. Holt said: "I think the Europeans are ahead of us in their sleeping cars. There they are all compartments, the compartments accommodating from two persons upward. If you are traveling with any one it is most convenient. There is one drawback, however, and that is if you are traveling alone you are likely to have to share a compartment with a stranger. There is no way to avoid this unless you are very rich, for they will not sell you the extra berth in the compartment unless you buy an extra railroad ticket also, just the same as the system that prevails on some of the great limited trains of this country, where you cannot secure an entire section unless you purchase an extra ticket. But even if one has to bunk with a stranger, I prefer the European sleeper.

It is only one man there that you have to foregather with, but here there is a whole car full of passengers, of both sexes, practically sleeping in the same room. It is only because we are used to them that we do not think how extraordinary our sleepers really are. When, however, a foreigner sees an American sleeping car for the first time the incongruity of the thing strikes him hard. I have always sympathized with the mistake of the English lord who was touring this country with his wife some years ago. On the advice of a friend, he had secured sections opposite each other, one for himself and one for his wife. It was their first experience with an American sleeper, and the pair were intensely interested in all that went on."

"Finally bedtime came and their sections were made up along with the others, and then came the lord's mistake, and it threw that sleeper into amused confusion. The scion of British aristocracy promptly hung the curtains rightfully belonging before his and his wife's berth across the aisles from berth to berth, inclosing them off from the rest of the car.

But, as is obvious, in so doing, he also cut off comfunication from one end of the car to the other. Finally one bold spirit went up and knocked on the berth headboard. 'Who's there, and what do you want?' a voice with an English accent inquired. 'I want to get through to the smokng room,' replied the American, and then he burst into a howl of joy, as did the rest of those in the car, for through the curtains fitered the information, 'Oh, but ye cawn't, ye know, for my wife's gone to bed!'"—New York Tribune.

"One hundred tw 's?" said the postoffice clerk. "Yes, ma'am."

"And charge them to Mr. Newliwed, No. 411"——

"Sorry, ma'am," interrupted the clerk, "but we can't do that."

"You can't?" the young bride exclaimed indignantly. "My husband's credit is good everywhere; and, besides, we get our letters from you."—Philadelphia Press.

A Family Gathering.

A family gathering, comprising thirty-five members, was held Thanksgiving day, at the home of Mr. and Mrs. Frank Douglas, 61 Washington street. After partaking of a sumptuous dinner, the afternoon was spent in playing games, and during the evening a program, consisting of recitations, vocal and instrumental music, was carried out by the children of the party. It was a very enjoyable affair and will remain as a pleasant memory to all who were present.

Maple syrup, pure sap, gallons, $1.00; ½ gallon, 60 cents; qute, 30 cents. Dedrick Bros.

SPIRIT OF THANKS AMONG THE PEOPLE

Thanksgiving Union Service Yesterday Morning Well Attended—All in Janesville Celebrated.

Thanksgiving day in Janesville was observed yesterday with at least as much fervor as for several years back. The weather was favorable, the congregation at the union services reasonably large, and the spirit of gratitude especially for national and political blessings was evident. The religious services were of the union type and were held at the Baptist church. The old complaint however, that the day is gradually being transformed from a religious festival to a secular holiday and a day of sport will be as pertinent as ever.

A great many private dinners were given and the whole town gave itself over to feasting and amusements.

Donations for the poor of the city turned into the hands of the associated charities were mainly in cash. It is the object of the association to tide the needy over a crisis rather than to furnish them with a sumptuous repast even on a holiday. The association believes and wisely that indiscriminate giving means the making of paupers which it is in all ways anxious to avoid doing.

Where special cases are indicated by the donors of cash gifts the relief is used that way. Otherwise, as at the present, urgent calls were attended to and the balance left in the fund for future emergencies. Each case is investigated and the chronic are dealt with as good business judgment would indicate. Anyone wishing to assist the poor is safe to place the funds with the local charity board, secure in the conviction that it will not be diverted from its legitimate purpose to purchase ice-cream freezers or photograph albums.

Busy Day at Kimball Mission.

Yesterday was a busy day at the Mary Kimball Mission. Fully 200 children and a number of adults feasted at a table loaded with everything that goes to make up a Thanksgiving dinner. The guests marched in to music furnished by Rev. Margaet Kenton, who played during the meal. The first relay took their places at 2 o'clock and the last of the helpless finished their repast as the daylight faded away. Many children came with well-filled baskets for the pleasure of eating with the hungry. Clean hands and faces and combed hair was the invariable rule and the young people deported themselves with as much gravity and decorum as though trained in a well-ordered home. At least twenty helpless volunteered their services, the women washing dishes as the dinner progressed and the men cleaning away the debris. This morning seventeen baskets were sent to poor people who could not attend the dinner and as many more will be sent out this afternoon. A religious service was held from 7:30 until ten and many of the guests remained from noon till the closing prayer.

GAME WAS WON BY GOLDEN EAGLES

Milton College Football Team Not in It with the Brawny Janesville Boys.

The Golden Eagles won against the Milton college team at the end of the second twenty minute half, the score standing 11 to 0 in their favor. About three hundred people had gathered at Athletic park yesterday afternoon to witness the game. They were well repaid for their trouble and saw a good game.

The game was called at 3:30 with F. J. Jeffris as umpire. Very few brilliant plays were made in the first half. The game was not fairly started before the spectators began to crowd into the field and at times were so mixed with the players that it was hard to distinguish them apart.

After a good deal of pushing and upon the teams refusing to play until they had more room the crowd finally opened up a space for the teams to play in. Charles Carr played the star game for the Golden Eagles during the first half, making two twenty-five yard runs. The Milton team played a good game and at the end of the first half neither side had succeeded in scoring.

In the second half the crowd kept back and things looked a little more like business. Milton punted from the center line. The punt was blocked by Casford who went down the field and within a few yards of the Milton goal before he was downed. By strong line bucking Will Ryan made a touch down, and afterwards failed to kick a goal, the score being five to one in favor of the Golden Eagles.

Just before the first touchdown Sol Cooper got mixed up in a skirmish and broke his hand and sprained his ankle. He was carried off the field. Casey took his place and the game proceeded. Milton punted and the ball was returned by Ryan who made an exceedingly long punt into the Milton territory and after a few fierce rushes another touchdown was made by Ryan. This time he kicked the goal and the score stood 11 to 0. Time was now nearly up and after a few plays in which neither side gained any advantage time was called and "The Golden Eagles kept watch over the field." The star plays of the game were made by Phil Cassford, captain; Will Ryan, Charles Carr and George Casey. Art Ryan is also deserving of considerable praise for the way in which he played quarter back, being new to the position.

UNION SERVICES AT BAPTIST CHURCH

ORIGIN OF THE OBSERVANCE OF THANKSGIVING.

Rev. W W. Woodside Gives an Interesting Talk—Rev. Mr. Hall on the Material Blessings of the Nation During the Past Year—Rev. Mr. Henderson's Address.

The union Thanksgiving services held yesterday at the Baptist church were fairly well attended. Rev. W. A. Hall of Court street M. E. church presided and made the statement that the day's program had nearly been swamped out of existence by a number of untoward circumstances.

The illness of the Rev. R. C. Denison had made it necessary to plan for a platform meeting at the last moment, and inability to secure the male quartet necessitated congregational singing, which was led by Mr. Crawford.

Rev. W. W. Woodside of the Jackson street church read the sixty-fifth psalm, which is a psalm of gratitude. Prayer was offered by the Rev. J. T. Henderson and the president's proclamation was read by Mr. Woodside.

The same gentleman then gave a talk on the origin of the Thanksgiving observance. He showed that the Jews, the Romans and the Greeks had a similiar festival in recognition of the bountiful harvests, and that the Dutch in the middle of the Sixteenth century, instituted such a holiday on account of success in war.

But the first spiritual and religious observance of the day dated back to the year 1621, when our forefathers in the face of sore privations their number decimated by death from sickness and exposure, still felt that they had especial cause for gratitude to God.

The significance of the day in the home, however, was that which appealed most strongly to the speaker. Then without any attempt at oratorical effect he described a series of Thanksgiving pictures which had very deeply impressed him. It was a simple little story, but the flutter of handkerchiefs throughout the audience showed that he had touched a minor chord in the hearts of his hearers. It was that touch of nature which makes the whole world kin.

Mr. Hall followed with the material blessings, which we as a nation, have received during the past year. He said that if he should describe the United States of America as the greatest, grandest and most progressive country on the globe he would be criticised as a rainbow optimist. But what can one do if he is to speak the truth?

There are four great nations—no more—England, Germany, Russia and the United States. Then taking them severally he proved that the origin American citizen is better housed, fed, clothed and taught than a citizen of any of the others.

Late statistics show the material wealth of this country to be ninety billion dollars, an amount difficult for the average mind to grasp. Without encroaching upon Mr. Henderson's territory he proceeded to show that in-as-much as God had greatly blessed this land he expects great things from it, and it is for us to stand in the very front of the march of progression.

We are yet very far from perfection; we have many hard lessons to learn and many reforms to institute, but he believed we were headed in the right direction and had been and would continue to be a special instrument in the hands of God to work out His divine plans.

To Mr. Henderson was assigned the more spiritual view of the same subject, the immaterial blessings. In his opinion obstacles were of this list, for they taught courage; perplexities, for they taught patience. We pray for more faith, but what we want is sight.

He belived that the world is growing more responsive to the promptings of brotherly love. He referred feelingly to the South African republics and their sorrowful fate and called to mind the many instances of humanitarian feeling displayed on both sides.

The Hague Peace conference, much as it has been ridiculed, he felt was the fruit of a desire on the part of nations to seek some pacific means for adjusting international difficulties and to soften the asperities of war where war was unavoidable.

Altogether the outlook from his view was most promising and as optimism is the true philosophy his hearers were ready to vote with him.

The collection, which was for local need, to be disbursed by the Associated Charities amounted to $13. 07.

AN OLD FASHIONED FIVE O'CLOCK TEA

An old fashioned five-o'clock tea was given this afternoon by Miss Gertrude Scott, daughter of Robert Scott. About a dozen young ladies were the guests, attired in gowns that were old at the time of the civil war, and with hair rolled high and powdered. Several of them will attend the Caledonian social this evening in the toilettes of this afternoon.

Those in costume are Misses Olive and Agnes Corneau, Ida Stoddard, Mame Curtis, Edna Wright, Lulu MacDonald, Irene Crowley, Gertrude and Marion Scott and Mary Kolle.

A rear end collision between two freight trains occurred at Jefferson Junction this morning. Several cars were wrecked and Engineer C. E. Brown of Baraboo had his leg broken.

EIGHT HUNDRED VISITED THE RINK

Merry Crowd on Rollers Attended the Masked Carnival Last Evening.

Eight hundred people attended the masked carnival last night at the Palace rink. Two hundred and fifty were on skates and wore masks until the 9:30 o'clock hour. Music was furnished by the Imperial band and all had a good time. Skating came to a close at eleven o'clock. Four prizes were offered. Miss Lulu Collins, 102 South Main street, received a $100 bicycle for having the best fancy costume. Miss Lucie Newberry was awarded the second prize consisting of an $8-pair of skates. The prizes for the gentlemen fell to Ralph Hathaway of Muncy, Ind., who secured a $10 robe as first prize and William Dunn of Janesville who received a ton of coal as second prize.

Evening Drafting Class.

The Gazette will receive names of persons wishing to take up the study of Mechanical Drawing evenings, under the personal supervision of a competent instructor. The charges will be moderate, and will decrease as the number of applicants increase. This opportunity will be for one week from date.

SEVERAL NOTABLE WEDDINGS HELD

HEARTS AND HANDS JOINED ON THANKSGIVING DAY.

Robert J. Bear, Son of Ex Sheriff Bear, and Evelyn May Dewey, Married—Fred N. Blakeley and Mary L. McCaffrey—Nathan A. Patchen and Miss Martha A. Hayford.

Robert J. Bear, the son of ex-Sheriff Bear, and Evelyn May Dewey were married at 6 p. m. yesterday at the bride's home on Jackson street by Rev. W. A. Hall. The parlors and dining room were handsomely decorated with chrysanthemums, ferns and smilax. Guests to the number of about sixty were present.

The bride made a charming appearance gowned in white organdie trimmed with white satin ribbon. In her hands was an immense bouquet of pink roses. After the ceremony a sumptuous repast was served. Costly gifts in silver, cut glass and decorated China were in evidence. Mr. and Mrs. Bear left on the early morning train for a brief stay in Chicago, and on their return will commence housekeeping in their pleasant house on Park street, with the good wishes of hosts of friends.

Blakely-McCaffery.

Fred N. Blakely and Miss Mary L. McCaffery, both of this city, were married last evening, Thursday, Nov. 29, at Trinity Episcopal church, Rev. J. A. M. Richey officiating. Relatives and a few intimate friends amounting to about three score witnessed the ceremony. After the church wedding and the offering of congratulations about thirty guests assembled at the home of the groom's parents at 303 Glen street where an elaborate supper was served.

Both bride and groom are well known in the city and have a large circle of friends who will wish them joy. Mr. and Mrs. Blakley go immediately to their pleasant home at 8 Walker street and commence life together under the most favorable auspices.

Pathchen-Hayford.

Nathan A. Patchen of Albany, Green county, and Miss Martha A. Hayford of this city were married Thursday at the home of the bride's parents near the cemetery. Rev. W. A. Hall officiating. The ceremony was witnessed by a number of guests. Mr. and Mrs. Patchen will remain in Janesville until March and then take possession of the groom's farm near Albany.

Koebelin-Getts.

Mr. John Koebelin and Miss Pearl Getts were quietly married in Rockford, Ill., on Thanksgiving day by the Rev. Mr. Pooley, pastor of the M. E. church. They will be at home to their friends after December 1, 1900, in the Henderson flats.

DEATH ENDS CAREER OF JOHN H. KIENOW

He Was a Spanish War Veteran and Never Got Over His Cuban Experience—William Kelty Dead.

John H. Kienow, thirty-seven years of age and a resident of this city since childhood, died Thursday night at 11:15 o'clock at the home of his mother, 56 North First street, after an illness of about one year. He was quite a musician and for a number of years played the base viol in Johnny Smith's orchestra and also in the Myers Opera House orchestra. At the breaking out of the Spanish-American war he enlisted in the First regiment of Wisconsin volunteers and when that regiment was sent home from Florida he enlisted in the regular army and went to Cuba, where he was discharged and sent home for disability.

He never fully recovered from the illness contracted while in the service of his country and lingered along until death came to his relief. He leaves an aged mother, one sister, Miss Martha, and three brothers; William F, C. E. and A. H. Kienow to mourn his taking away. Notice of funeral will be given later.

Mrs. William C. Russel.

After a sickness of three weeks with a fever Mrs. William C. Russel of North High street passed away Wednesday evening at 8:45 o'clock. She leaves to mourn her taking away a father, William Cleland of Shopiere, a husband and an eighteen months' child. The funeral will be held tomorrow afternoon from the home at 1:30 o'clock the Rev. R. C. Denison will officiate.

Mary E. Austin.

Mary E. Austin, the wife of Wilson A. Austin and for thirty years a resident of this city, died at Pulaski, N.Y., November 22, 1900, aged 57 years. Mr. and Mrs. Austin are well-known in this vicinity, having gone east about two years ago. The funeral was held from the family residence on North street on Sunday, November 25. The interment was at Salmon river.

Death of William Kelty.

William Kelty, son of Mr. and Mrs. Thomas Kelty, died this morning at his home, 361 South Jackson street, of consumption. Some time ago a warning of his impending doom made him seek a more congenial climate and he tried Denver in the hope of warding off the deadly disease. He returned two months ago best pleased to spend his few remaining days among familiar scenes and surrounded by those upon whose affection he could implicitly rely. He was well known throughout the city and had many friends who will learn of his death, at an age when the outlook is brightest, with sincere sorrow. Funeral on Sunday afternoon at 2 o'clock from St. Patrick's church.

NEWS OF A PERSONAL NATURE

T. P. Burns spent the day in Chicago.

H. P. Richardson of Milwaukee, is in the city.

Miss Belle Carpenter left this morning for Chicago.

E. B. Birmingham celebrated Thanksgiving in Chicago.

Mr. and Mrs. M. L. McHugh and children of Baraboo, are the guests of Mrs. McHugh's mother, Mrs. Hannah Eller, 159 North Franklin street. They came to attend the family reunion held at the home of Mrs. McHugh's sister, Mrs. Frank Douglas, on Thanksgiving day.

COUPLE ARE ANXIOUS TO BE MARRIED

Apply to Judge Sale for a Permit to Avoid the Five Day Limit, But Did Not Get It.

Judge Sale of the County Court, came near being the victim of a confidence game Wednesday afternoon, operated by two young people who had previously called on County Clerk Starr for a marriage license. Harry Wilkins and Mary Meinke, who gave their residence as the town of Harmony, were anxious to be married without waiting for the five days required by law to elapse after taking out the license before the ceremony can be performed.

They inquired of Clerk Starr, where and how they could obtain the permit. He gave them the desired information and directed them to Judge Sale's office. The judge, after questioning them, decided to issue the permit and had the same filled out by the clerk in the office. When the permit had been drawn and was about to be delivered, the young man asked the judge when the next train left for Belvidere.

The judge thought it strange he should ask such a question and asked him what he wanted to go to Belvidere for. The young man said they were on their way home. The judge instructed the clerk not to deliver the permit and told the young man he could get a license in Illinois, where he would not have to wait. The couple left the court house much disappointed and said they would have to make another trip.

GOLF CLUB PARTY A SWELL AFFAIR

Annual Event of the Sinissippi Club Last Night Was a Brilliant Success.

The fifth annual ball of the Sinnissippi Golf club took place in Assembly hall last evening. The hall presented a picture of youth and beauty that is seldom equalled in this city. Shortly after eight o'clock the carriages began to arrive and a steady stream of beautifully gowned ladies and well dressed men poured into the hall, about one hundred and twenty-five couple being present.

There have been larger parties in Janesville, but none where more handsome gowns and charming ladies were in attendance. The hall was handsomely decorated with bunting, portiers, rugs and vines and formed a handsome background for the many beautiful gowns. Johnny Smith's orchestra never appeared to better advantage.

The music was especially good and the Sinnissippi Golf club march and two step composed and dedicated to the club by Prof. J. S. Taylor brought forth great applause. A handsome arbor of ferns, smilax and potted plants from the green house of Long and Hodson almost completely hid the orchestra from view. The evening was one of unalloyed pleasure of the the mazy waltz and two step, and the more sober quadrille fitted in to keep the party in the best of humor.

Quite a number of guests from out of the city were present and a number of students from the State University were in attendance. Among those present from out of the city were: Mr. and Mrs. A. B. Winegar, Mr. and Mrs. M. C. Dodge, Miss Keenan, Chas. M. Dow and Lucien Pickets of Madison, Mr. and Mrs. Elliot of Elgin, Miss Etta Whittet, Mr. Whittet and Mr. Jensen of Edgerton, Elizabeth Todd of Beloit, W. K. Shattuck, Len Wilcox and Albert Hoffmaster of Chicago.

The committee of arrangements was J. P. Baker, Mark Bostwick, H. Ross King, Harry H. Bliss and Victor P. Richardson. The floor was in charge of George M. McKey, Mark Bostwick and H. Ross King. The party broke up about one o'clock. All departed for home well pleased with their evening's pleasure.

GUN EXPLODED IN HIS HANDS

J. Paul Dennett, who works at J. P. Baker's drug store met with a painful accident while out rabbit hunting yesterday. The gun, which was a muzzle loader, was heavily charged, and when Mr. Dennett shot at a rabbit the explosion that followed threw him over backwards. The hammer of the gun struck him on the nose making a cut an inch and a half long. He came at once to town an had the wound dressed. No serious results are likely to follow other than that he will have a sore face for a number of days. Mr. Dennett killed the rabbit that he shot at and is getting what little consolation he can out of that fact.

RESULTS OF MANY GAMES.

Columbia Disnoses of Carlisle Indians.

ANN ARBOR MEN DEFEATED

Thanksgiving Day Football Attracted the Attention of Many Thousands in All Sections of the Country—Aside from Accidents, the Sport Was Enjoyable.

New York, Nov. 30.—Columbia took the scalps of the Carlisle Indians in the football contest here, winning by the decisive score of 17 to 6. There were nearly 25,000 people watching the game, and they saw as clean and accurate an exhibition as has ever been put up on the grounds.

Two sensations marked the game, the first a sprint of fifty yards by Weekes for Columbia's first touchdown. His play was partly due to the splendid interference of Wright, who ran with Weekes all the way down the field and blocked off Carlisle's back man. The other feature was a fumble made by Morley in a dangerous attempt at a fake kick, when Carlisle was only seven yards from the Columbia goal. This sent the ball rolling toward Columbia's goal and Bain shot through the line and fell on the ball just over the line between the posts, scoring the touchdown for the Indians. The other two touchdowns made by Columbia were scored by pushing Berrien and Austin over the line when the ball was but a few yards from goal. Final score—Columbia, 17; Carlisle, 6.

Chicago, 15; Michigan, 6.

Chicago, Nov. 30.—The Chicago University football team redeemed itself on Marshall field for all the defeats of an unfortunate season. It defeated the University of Michigan team by a score of 15 to 6 in a game replete with good playing.

Breaks Football Record.

Dixon, Ill., Nov. 30.—Dixon broke all football records by defeating De Kalb Northern Illinois Normal school club by a score of 149 to 0.

Dentists, 15; Lombard, 0.

Galesburg, Ill., Nov. 30.—The second game of the season between the Lombard college and the Chicago Dental college teams was played here on a muddy field and before a large crowd, the dentists winning by a score of 15 to 0.

Penn Downs Cornell.

Philadelphia, Pa., Nov. 30.—Pennsylvania's eleven wound up its football season in a blaze of glory before 24,000 people, at Franklin Field, defeating Cornell, 27 to 0, in a game replete with sensational features.

Illinois Wesleyan, 6; Rush, 0.

Bloomington, Ill., Nov. 30.—Illinois Wesleyan defeated Rush Medical of Chicago on the home grounds by a score of 6 to 0.

Stanford, 5; California, 0.

San Francisco, Cal., Nov. 30.—Stanford defeated the University of California by a score of 5 to 0.

Moline, 6; Chicago, 5.

Moline, Ill., Nov. 30.—Moline high school defeated the South Division high school of Chicago 6 to 5 in a hotly contested game.

Beloit, 43; Knox, 0.

Beloit, Wis., Nov. 30.—Beloit college defeated Knox college at football here by a score of 43 to 0.

Indiana, 24; Purdue, 5.

Lafayette, Ind., Nov. 30.—Fully 5,000 persons saw Indiana university football team administer a crushing defeat to Purdue by the score of 24 to 5. The only redeeming feature of the game was Robertson's kicking, and he again saved the team from a shut-out by a place kick early in the first half.

Iowa Is Held Even.

Rock Island, Ill., Nov. 30.—The championship of western football clubs, claimed by each contesting eleven, was not decided by this afternoon's game between the State university of Iowa and the Northwestern university, each side scoring five points. The game was witnessed by 10,000 people.

Minnesota, 20; Nebraska, 12.

Lincoln, Neb., Nov. 30.—Minnesota university triumphed over Nebraska State university in the fiercest struggle ever witnessed on a Nebraska gridiron. The score was 20 to 12 in Minnesota's favor.

Monmouth, 81; Wesleyan, 0.

Monmouth, Ill., Nov. 30.—The Monmouth-Iowa Wesleyan college football game played here was a one-sided contest, resulting 81 to 0 in favor of Monmouth.

France May Suggest Arbitration.

Paris, Nov. 30.—The officials of the foreign office have not made their denials of the rumor that M. Delcasse, the Minister of Foreign Affairs, told ex-President Kruger that France was prepared to submit a proposition for arbitration to Great Britain if Emperor William joined in, emphatic enough to convince people that the report is without foundation. It is probable that an unwritten hint was given to that effect(and that the newspapers are magnifying it. Mr. Kruger's change of route appears to lead confirmation to the rumor.

Train Strikes Three Men.

Riverside, Ill., Nov. 30.—Three men in a wagon were struck by a fast Burlington passenger train near Riverside and one was killed, his companions escaping with severe injuries. The dead man is Frank Polanak, 28 years old, of Chicago. His neck was broken and his body mangled.

"Thou changest not—yet, I am always changing," said the substitute to Rocky Mountain Tea. Made by the Madison Medicine Company. 35 cents. Smith's pharmacy, kodak agents, opposite P. O.

TO CAST DEFENDER'S KEEL.

Metal May Be Molded on Dec. 27—Boat's Working Plans Are Ready.

Bristol, R. I., Nov. 30.—At the boat shops here today it was learned that the large keel of the cup defender will not be cast for three, if not four, weeks. By that time the keel mold for the new defender will be ready on the floor of the shop, and there is nothing now known to prevent the running of the lead two days later. This would indicate that the hot metal would be pouring into the mold on or about Thursday, Dec. 27. The working plans for the many fittings that will enter into the construction of the new craft are meanwhile being printed and attached to boards. The prints are guarded with as much care as if they were gold dollars, and very few of the many employes have yet had a glance at them. As regards the sails which are now well begun, there have been rumors that the grade of cotton duck was the production of South Carolina, but from the appearance of the threads of the canvas the head sails of the boat are of similar material to that used in the make-up of the head **sails for the** Columbia in 1899. The market designation is Texas upland cotton, but it is of a special weave. It has been found by experience that the Texas product, when woven especially close, is as good for racing sails, if not better, than the South Carolina cotton. The mercerizing process with which the new defender's canvas will be treated causes the weave to be more compact, and gives the sails good form, as was demonstrated on the racing sails of some of the seventy-footers last summer. While there are some points to indicate that the new defender will be clothed with a larger amount of canvas than was the Columbia, it is believed that the area of the sails now being made will not be much greater. Another important matter that has had its share of discussion at Bristol is the use of all steel spars, with the exception of the bowsprit, which will undoubtedly be of wood. The introduction of a steel topmast would be a novel feature, especially if that spar is to be of the telescoping variety. If such a spar is introduced at so high a point above the load water line it certainly will eliminate weight to quite a degree. No work has been begun as yet on the building of the mold for the lead keel of the new boat, notwithstanding reports to that effect. The frames for the mold were shaped out three weeks ago, and the act of setting them up and placing them from the inside will be only a three days' job when it is begun.

Shut in by Walls of Ice.

Seattle, Wash., Nov. 30.—The United States revenue cutter McCulloch has arrived from Alaska with news that Nome is now completely isolated from the outer world by a barrier of ice. For seven long months this condition of affairs will continue. The camp is well supplied with provisions and fuel. It is possible that before the first steamers arrive at Nome in the spring there may be a slight shortage of coal, but it is not anticipated that it will be serious. Nov. 8 the ice had crept out from Nome into the sea for a distance of 200 feet. Several mornings previous lighters had been frozen in. The warning was heeded by the steamers Centennial, Santa Ana, Sadie, and Portland. Late reports from the Kougarock district state that Quartz creek is showing up $2 to the pan.

Boxers in Rebellion.

London, Nov. 30.—The Shanghai correspondent of the Morning Post says that one of the consuls at Hankow has received a message from a missionary in Kansu reporting that a large part of General Tung Fu Hsing's army has entered that province en route to Ninghsia to join Prince Tuan in a rebellion against the emperor. The consul asked Viceroy Chang Chih Tung to telegraph to Singan-Fu to insure the protection of the missionaries in Kansu, and the Viceroy complied with the request. On the other hand, an unofficial report credits Chang Chih Tung with sending eight quick-firing guns to Shansi in compliance with a request from the governor of that province.

Girl Is Kidnaped.

Wilkesbarre, Pa., Nov. 30.—Pretty Margaret Kelly, aged 13, an orphan and heir to a snug sum, was kidnaped by two unknown men at Miners' Mills, and the authorities between this city and Cleveland, Ohio, have been requested to look out for her and her companions. The little girl attended school Wednesday, as usual. In the afternoon she received a note from the Rev. Father Kiernan of Parsons, in which it was stated he desired to see her. At once she hastened toward Parsons, passing through a field in which is located Dickover's brick yard. At that point Margaret was last seen in conversation with two men.

Czar Gaining Strength.

Livadia, Nov. 30.—The Czar passed a good night and showed an increase in strength this morning. His physicians issued the following bulletin this morning: "The Czar passed a good day yesterday. He slept about an hour. At 9 in the evening his temperature was 97:5; pulse 68. He slept very well during the night and felt more cheerful this morning. His strength is increasing. At 9 o'clock this morning his temperature was 97.2; pulse 60."

Union Pacific railway will pay $1,000 reward for train robbers, dead or alive, and place armed guards on trains.

Origin of Term "Halcyon Days."

The term "halcyon days" is derived from a pretty little fable of the Sicilians, who believed that during the seven days preceding and following the winter solstice, December 21, the halcyon or kingfisher floated on the water in a nest in which her young were deposited and that during this time of her brooding the seas were calm. Our Indian summer corresponds to the halcyon of the Sicilians.

HOSTETTER'S CELEBRATED STOMACH BITTERS

If anything is wroug with the digestive organs, the entire system is upset. The Bitters will Strengthen the stomach and cure Constipation Indigestion Dyspepsia and Billiousness. It strengthens the nerves and brings refreshing sleep.

Notice is Hereby Given

That the Janesville Electric Company has this day filed with the city clerk of this city, an application for the passage of an ordinance, granting to said Electric Company the privilege of laying and maintaining pipes in the streets and alleys of said city for conveying hot water or air, for the purpose of heating the buildings of said city.

JANESVILLE ELECTRIC CO.

Poor Digestion.

Strong nerves are just as essential to good digestion, as they are to cheerfulness of mind, strength of muscle or clearness of skin. The intimate connection between the brain-cells and the nerve-centers of the digestive organs makes the one a reflection of the weakness or strength of the other. Improper food; disorderly habits, the use of stimulants and over eating may cause indigestion; but the more common causes are grief, anxiety, irritability of temper, over-taxing the body or mind, worry, loss of sleep and general nervous debility. Quiet the nervous irritation, soothe and rest the weary brain and the digestive organs will gain strength and tone. DR. MILES' NERVINE is the best medicine you can get.

"For about two years I had nausea directly after my meals. Sometimes it would be accompanied with great pain, which would be relieved only after vomiting or by belching large quantities of gas. As my physician failed to help me I determined to try Dr. Miles' Nervine. I could see an improvement from half a bottle and two bottles cured me."

MRS. L. L. WINTERS, Gwynneville, Ind.

Dr. Miles' Nervine

Tones up the worn-out nerves, rests and recuperates the weary brain, and gives new strength and vigor to the entire system. It whets the appetite, stimulates digestion and builds solid, healthy flesh.

MAN AND WIFE SLAIN.

Brutal Murder of a Couple from Cedar Rapids.

Burlington, Iowa, Nov. 30.—W. H. Litner of Cedar Rapids is dead at the morgue while his wife is dying at a hospital, the victims of a footpad who, failing in an attempt to hold them up, fired the fatal shots and escaped. The couple had been spending Thanksgiving day with friends here and were on their way to the train. When they arrived at Fourth and Locust streets a man stepped up to them in the dark and told them to hold up their hands. Mr. Litner struck at the man and instantly received a bullet in the heart. He fell to the ground dead. Mrs. Litner sprang forward and attempted to knock the revolver from the man's hand and ran. The highwayman shot her in the back, the ball passing through her left lung. She is at the hospital in a dying condition. Search is being made for the murderer.

Gold in Gizzard of a Duck.

Waterloo, Wis., Nov. 30.—While dressing a duck Mrs. John Spies discovered several small gold nuggets in the gizzard. The duck was purchased at a local butcher-shop and was raised by Fred Haberman, who resides on a farm on what is known as "The Island," in the town of Waterloo, near the village. There is considerable excitement over the find, and people are preparing to prospect in an endeavor to locate the source of the supply.

Heir to a Fortune Is Dead.

Hagerstown, Md., Nov. 30.—Mrs. Margaret Shipley, one of the heirs of the fortune left by John McCaffrey, the eccentric Chicago millionaire, died today at her home near Downsville, this county. She was a daughter of McCaffrey's first wife, who died recently in New York state. McCaffrey was formerly a boatman on the Chesapeake and Ohio canal. Mrs. Shipley received a portion of her share of the fortune, but there is still $300,000 to be divided. Other heirs live here and at McKeesport, Pa.

To Test Canadian Cattle.

Hamilton, Ont., Nov. 30.—Colonel Shepard, United States consul in this city, has been notified that after Saturday shippers of breeding cattle to the United States will be compelled to have their stock for export tested by a United States veterinary surgeon. Formerly the tests were made by Canadian veterinaries. Dr. E. L. Volgenair of East Buffalo has been appointed by the United States government to test the cattle shipped from Canada.

Plan to Corner Gold.

London, Nov. 30.—The Daily Express says that a trust is projected aiming to corner the world's output of gold. It mentions in connection with the scheme Alfred Beit, J. B. Robinson, Cecil Rhodes, and J. D. Rockefeller, and says that "South Africa, Australia, and the Klondike are reported to be sufficiently in control of the trust for its purposes, and the mines of Colorado are now being absorbed by that ambitious organization, the Venture corporation, which is made up of millionaires and whose expert is John Hays Hammond."

The paper asserts that the capitalists mentioned disclaim any intention to corner gold. Nevertheless their plans are well laid and they are almost sanguine of success.

Divekeeper Pleads Guilty.

New York, Nov. 30.—The organization of the citizens' committee of fifteen for the suppression of vice will not be completed before Friday or Saturday. It is possible that the committee will increase its membership to twenty-five. Michael Davis, proprietor of the "Black Rabbit," the most notorious den in this city, was permitted to plead guilty today before Recorder Goff in general sessions to keeping a disorderly house. He was sentenced to eight months' imprisonment in the penitentiary. Pauline Shelben, who was present during the orgies when the "Black Rabbit" was raided, also escaped with an eight months' sentence.

Dead Man Short $100,000.

Cincinnati, O., Nov. 30.—Cincinnati was shocked this morning in the knowledge that George R. Griffiths, for years clerk of the Board of Education, was at the time of his death a defaulter to the school fund and to the City of Cincinnati in an amount probably exceeding $100,000. The exact figures are not known, but the examination shows the deficit increasing.

Tells of Great Robbery.

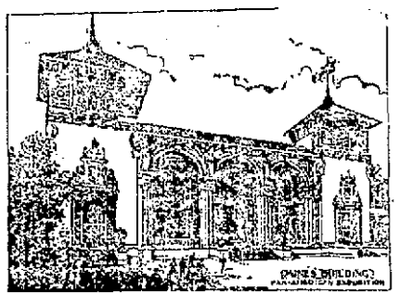

Northampton, Mass., Nov. 30.—Not till to-day has been revealed the whole mystery of the famous $2,000,000 Northampton Bank robbery of 1876. Robert J. Clapp, worth $5,000,000 in honest pursuits, has confessed that as a youth he helped James Dunlap, "Bob" Scott, "Red" Leary, and "Shang" Draper put through their gigantic scheme, that was once the talk of the world. It was he who made the scheme possible. It was he who led the bank-breakers through Northampton and showed them how the cashier could be caught and how the watchman could be bound and gagged. To-day he makes a clean breast of it and clears up the mystery of a quarter of a century. He will not be punished. Scapegrace, outcast, tramp, brakeman, roustabout, prospector, Robert J. Clapp has been. Now he is a millionaire for a change.

Leading citizens of New York appointed committee to investigate vice and bring police to book.

ELECTRICAL EXHIBITS.

Wonderful Collection and Grand Display of Electric Lighting.

It is the plan of the management to make the Pan-American Exposition at Buffalo next year the greatest electrical Exposition ever held. In view of the wonderful advance in the electrical science since the World's fair there will probably not be a single duplication of an exhibit seen at Chicago in 1893. Nearly everything in the electrical line then exhibited has been superseded in the market by new machinery and appliances constructed upon a better understanding of the wonderful force. The discovery of the Roentgen rays, the invention of wireless telegraphy and the development of the electrome

THE MINES BUILDING.

bile are among the well known new and useful applications of electricity unknown at the time of the Columbian Exposition. Electricity is to be extensively used in making attractive displays at night. For this purpose a steel tower 375 feet high has been planned which will face the Court of the Fountains. Upon this great tower and in this broad and beautiful court there will be seen at night fantastic and beautiful displays in electrical illumination. More than 200,000 electric lamps are to be used for this purpose, it being the intention of electricians to have all the large buildings surrounding this court outlined with a fringe of brilliant electric lamps. These wonderful electrical displays are made possible by the nearness of Niagara Falls, from which nearly all the power used for the Exposition will be drawn.

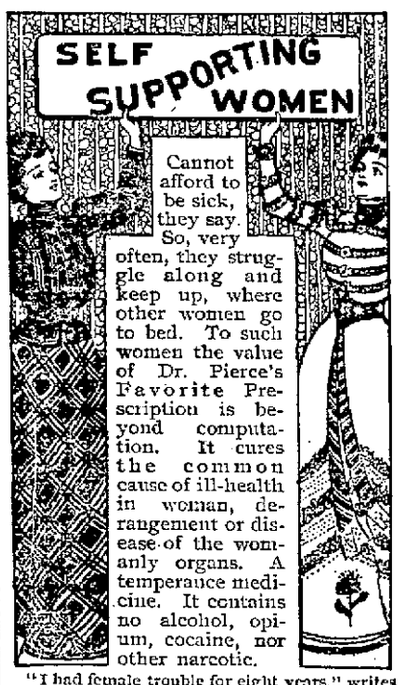

WEST VIRGINIA ALERT.

Governor Will Urge Appropriation to Have State Represented.

Governor Atkinson of West Virginia announces that he will embody in his next message to the legislature a recommendation for an appropriation to pay the expenses of the state commission having in charge the state exhibit for the Pan-American Exposition. West Virginia is one of the many states that are inviting capital and labor to come in and help develop their natural resources. With her 15,000 square miles of coal lands, her thousands of acres of hard wood forests, her wonderful stores of petroleum, her iron ore deposits and her great acreage of lands suitable for farming, stock raising and wool growing, she has much to offer in the way of exhibits and much to gain by bringing her resources properly before the world. It is expected that an exhibit will be made showing by maps and specimens, statistics and information of a general character what a new comer to the state may be able to do in the way of advancing the fortunes of himself and those who depend upon him. The millions of visitors to Buffalo next year will be interested in knowing what the possibilities are in all parts of the western hemisphere. The West Virginia commission is composed of Stuart W. Walker of Martinsburg, president; J. C. Morrison of Charleston, secretary; R. B. Battelle of Wheeling, treasurer; James M. Porter, Jr., of New Cumberland and E. E. Smith of Parkersburg.

Two Facts Possibly Connected.

More doctors, it is claimed, are kept busy in Australia than in any other country on this planet. At the same time Australia consumes more meat than any other country.

"I had female trouble for eight years," writes Mrs. L. J. Dennis, of 828 East College Street, Jacksonville, Ills. "For three years I suffered continually. Words cannot express what I suffered. *I sought relief among the medical profession and found none*, until induced by kind friends to try Dr. Pierce's Favorite Prescription. When I began taking this medicine I weighed ninety-five pounds. After taking 'Favorite Prescription' I was built up until now I weigh one hundred and fifty-six pounds—more than I ever weighed before. I was so bad I would lie from day to day and long for death to come and relieve my suffering. I had internal inflammation, a disagreeable drain, bearing-down pains in the lower part of my bowels, and such distress every month, but now I never have a pain—do all my own work, and am a strong and healthy woman. Thanks to your medicine. I consider myself a living testimonial of the benefits of your 'Favorite Prescription.'"

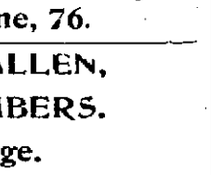

Dr. PIERCE'S FAVORITE PRESCRIPTION

MAKES WEAK WOMEN STRONG And SICK WOMEN WELL.

When the Hair Falls Out accompanied by mucous patches in the mouth, eruptions on the skin, sore throat, copper colored splotches, swollen glands, aching muscles and bones, the disease is making rapid headway, and far worse symptoms will follow unless the blood is promptly and effectually cleansed of this violent destructive poison.

S. S. S. is the only safe and infallible cure for this disease, the only antidote for this specific poison. It cures the worst cases thoroughly and permanently.

My Condition Could Have Been No Worse. In the fall of 1897 I contracted Blood Poison. I tried three doctors, but their treatment did me no good; I was getting worse all the time; my hair came out, ulcers appeared in my throat and mouth, my body was almost covered with copper colored splotches and offensive sores. I suffered severely from rheumatic pains in my shoulders and arms. My condition could have been no worse; only those afflicted as I was can understand my sufferings. I had about lost all hope of ever being well again when I decided to try S. S. S., but must confess I had little faith left in any medicine. After taking the third bottle I noticed a change in my condition. This was truly encouraging, and I determined to give S. S. S. a thorough trial. From that time on the improvement was rapid; S. S. S. seemed to have the disease completely under control; the sores and ulcers healed and I was soon free from all signs of the disorder; I have been strong and healthy ever since.

L. W. SMITH, Lock Box 611, Noblesville, Ind.

SSS is the only purely vegetable blood purifier known. $1,000 is offered for proof that it contains a particle of mercury, potash or other mineral poison.

Send for our free book on Blood Poison; it contains valuable information about this disease, with full directions for self treatment. We charge nothing for medical advice; cure yourself at home.

NOTICE TO CONTRACTORS

STREET IMPROVEMENT.
Office of Street Assessment Committee, City of Janesville, Wis., October 18, 1900.

Sealed proposals will be received at this office until the 19th day of November, 1900, at 2:00 o'clock p. m., for grading Division street, in the city of Janesville, Wisconsin, according to the specifications, profiles, plans and details thereof on file in the office of the city clerk of said city, for the inspection of bidders, to-wit:

That portion of Division Street, which extends from the southerly side of South Third Street to the northerly side of Oakland avenue in the Third ward.

Work shall be commenced on said street on or before the 27th day of November, 1900, and the whole work shall be completed on or before the 27th day of December, 1900, failing in which the contractor shall pay to the city of Janesville, as liquidated damages, the sum of twenty-five dollars per day for each and every day's delay in completing said work.

Directions to Bidders.

Each bidder must accompany his bid with a contract and bond, with not less than two sureties, who shall be free holders of the state of Wisconsin, and shall justify as to their responsibility and by their several affidavits show that they are worth in the aggregate at least the amount of the entire contract price in property not by law exempt from execution. Surety companies approved by the Street Assessment Committee will be accepted in lieu of personal sureties.

Said contract and bond, with sureties, must be completely executed on the part of the contractor, with the exception of the signature on the part of the city.

THIS IS A POSITIVE REQUIREMENT OF THE CHARTER AND MUST BE COMPLIED WITH.

Bids failing to comply with the above requirements will not be considered.

Bidders must submit proposals to do the work according to the specifications, profiles, plans and details for said street; stating therein price per cubic yard for grading.

The bids for the work will be canvassed and considered in the aggregate based on the estimated quantities named in the specifications. All bids and the accompanying contract and bond must be written on the blanks prepared by the undersigned for the purpose, and prices should be stated in writing and in figures. All bonds must have attached thereto internal revenue stamps to the amount of fifty cents.

All bids should be marked on the envelope, "Street Assessment Committee," with the name of the street marked thereon, on which such bid is made, and filed in the office of the Street Assessment Committee in the City Clerk's office, in said city.

N. B.—Blanks for the proposals and blank contract and bonds for such street will be furnished on application to the city clerk.

The bids, when the lowest ones, will be decided by the Street Assessment committee.

The said committee reserves the right to reject any and all bids.

Signed—VICTOR P. RICHARDSON,
C. V. KERCH,
WALTER S. RICE,
Street Assessment Committee.

E. J. SMITH, Manage

Spain Pleads for Captives.

London, Nov. 30.—Senor Regidor, one of Aguinaldo's representatives in Europe, has returned from Madrid, where he attended the sessions of the Spanish-American congress. He says that while he was in Madrid there was a meeting of the mothers, wives, and other relatives of the Spanish prisoners still held by the Filipinoos. At this meeting it was decided to urge General Azcarraga, the Spanish Prime Minister, to ask the American government to secure the release of these men. According to Regidor the Filipinos still hold 3,000 Spanish prisoners.

State Gets Turkish Wheat.

Topeka, Kan., Nov. 30.—The State Association of Millers and Grain Dealers has undertaken to supply the farmer of Kansas with a new stock of seed wheat. They will send to Turkey for a cargo of Russian-Turkey wheat, which they will deliver to their Kansas patrons at a sum not to exceed $2.25 a bushel, delivered not later than Sept. 1, 1901. The price to be paid will be the actual cost of the wheat.

London a Trifle Worried.

London, Nov. 30.—While reports of the condition of Cape Colony are regarded as unnecessarily alarming, there is little disposition to take a too roseate view of the situation. The constant dispatch to South Africa of re-enforcements and the daily fights at points wide apart show the war is not over. While the statement that Lord Roberts has demanded 20,000 fresh troops is incorrect, it is a fact that he has asked for 8,000 men to replace battalions incapacitated.

Lord Roberts confirmed report of another plot against his life. Ten men arrested on charge of laying mine under church in Johannesburg. South African situation grave.

Low Rates to the South.

Excursion tickets at reduced rates are now being sold by the Chicago Milwaukee & St. Paul R. R. to the prominent resorts in the South, including Jacksonville, Fla., Mobile, Ala., New Orleans, La., Savannah, Ga., El-Paso, Tex., which are good for return passage at any time prior to June 1, 1900. Information regarding rates, routes, etc., can be obtained upon application to any coupon agent of the Chicago, Milwaukee & St. Paul Railway

Thefts of Trolley Wire.

Thefts of trolley wire are of almost nightly occurrence in Philadelphia. One evening last week 500 feet of feed wire an inch thick was cut and carried away on a suburban road, though arc lights were shining on the scene and cars passing every few minutes.
